

## **Cudy LT500E wireless router Fast Ethernet Dual-band (2.4 GHz / 5 GHz) 4G White**

Model: LT500E

Manufacturer: CUDY

EAN: 6971690791896

Product Code: 764924

---

## **R1,624**

---

**Turn 4G into Internet for All**

### **Share via Speedy AC1200 Wi-Fi**

Dual-band WiFi allows newer devices to stream on the less congested 5 GHz band, while IoT and legacy devices can connect to the 2.4 GHz band, making your video chatting, 4K playback and light control feel as smooth as possible.

### **Share via Fast Ethernet**

Share a stable wired connection for TV and PC. The LAN/WAN port can be configured as a WAN port, connecting to another ISP and enabling WAN failover if the SIM card is inserted in.

### **Easy Setup and Versatile Management**

## **Easy to Use and Move**

Insert your Nano SIM card and power up to get network instantly. No rigid subscription, nor complex wiring.

## **Network Redundancy**

Set up the backup to make sure your surveillance and the rest stay connected even when WAN/WISP is down.

## **Client Management**

Set a bedtime and a domain blacklist to regulate your children's online behaviour.

## **VPN Client and Server**

Connect to VPN with WireGuard/OpenVPN/Zerotier/PPTP/L2TP protocols or host your own server at home/office.

### **Plug in a SIM Card to Enjoy the Network**

## **Home**

Plug and play easy-to-install WiFi for every home—no rigid broadband subscription is required.

## **Automobile**

Provide decent networks for all devices on your road journey.

## **Surveillance**
