We offer premium renewed tech to help organizations and people make better choices for a more sustainable future. From the very beginning, our focus has been on product quality – because quality is the key to making pre-owned tech the new norm. Real change happens when renewed devices deliver a great user experience at a competitive price, with a reduced environmental impact.

Premium+ condition and renewed to deliver a like-new experience in both appearance and

performance. It looks and feels like a brand-new device straight from the box, with a spotless, high-end finish. Every unit is carefully selected, fully tested, and professionally renewed to meet strict standards – so you can buy renewed with new-product confidence. Premium+ includes a 3-year warranty, giving you a more sustainable and stress-free choice.
