SOUND PERFORMANCE

Enjoy an immersive sound experience. High quality 40mm drivers equipped with virtual 7.1 surround sound and vibration system bring you the incredible sound performance.

RGB MYSTIC LIGHT

Fully customize RGB illumination and various lighting effects by using MSI Mystic Light utility.

FLEXIBLE BY DESIGN

GH50 is compact and easy to take with you. Metal construction provides better durability and stability.

DETACHABLE MIC

Unidirectional mic keeps communication clear and effective. Detach the mic anytime when you just feel like relaxing with music.

GET COMFORTABLE

The soft, fluffy ear cups help to maintain comfort to your ears after hours of games. The over-ear design of GH50 provides an extensive soundstage and adds comfort by leaving your ears free of any pressure.

DRAGON CENTER SUPPORTED

Fine-tuning more detailed settings and effects by using latest Dragon Center

INLINE CONTROLLER

Adjust volume, mute microphone, or other functions by simply using one hand.

EASY CARRYING
