The HD330’s tough defenses start from the outside with a robust, shock-absorbing silicone casing that can withstand the knocks, drops, and bumps of everyday life.

Three Color Options

The HD330 comes in three colors – black, red, and blue. Pick the hue that best reflects your personality.

More Space to Back You Up

In an era of high-definition video content, you can never have too much storage space. With up to 5TB capacity the HD330 has you covered and is ready to back up all your music, movies, photos and more.
*The figures shown here are based on the 5TB variant of the HD330.

Keep Errors and Bad Sectors at Bay

Lesser external drives continue to work even when dropped or encounter a shock, resulting in errors and bad sectors. With ADATA’s proprietary shock sensors, all drive activity will cease when a physical shock is detected. Once in the clear, activity resumes. You're kept fully informed with a clear status indicator.

Your Data Is Safe with AES Encryption

HDDtoGO software with AES 256-bit encryption keeps your important data password-protected and safe from prying eyes.
