- **MagSpeed Scrolling:** MX Master 3S zips down 1000 lines of code or spreadsheet cells in just a second and gets line-by-line pixel-by-pixel precision
- **Comfort Design:** Work better, faster, and with less forearm fatigue with a hand-sculpted cordless mouse that cradles the hand for all-day comfort
- **90% Quieter:** Quiet Click technology makes this quiet mouse ideal for open-plan work areas, reducing click noise by 90% for less distraction and better focus

(1) Compared to MX Master 3 (2) 4 mm minimum glass thickness (3) Device basic functions will be supported without software for operating systems other than Windows and macOS (4) Battery life may vary based on user and computing conditions (5) Customise device on Windows and macOS by installing the Logi Options+ app. Download or view software compatibility at logi.com/optionsplus (6) Wireless range may vary depending on operating environment and computer setup (7) Copilot in Windows (in preview) is available in select global markets and will be rolled out to additional markets over time. Learn more at <https://www.microsoft.com/en-us/windows/copilot-ai-features#faq>. Copilot with commercial data protection is available at no additional cost for users with an Entra ID with an enabled, eligible Microsoft 365 license (8) Requires Logi Tune downloaded on individual devices
