R2,107

Multi-OS keyboard and mouse for workplaces that require wired solutions.

Multi-OS USB-C keyboard and mouse combo with laptop-style typing and ambidextrous mouse for workplaces that require wired connectivity.

WIRED, DONE RIGHT

Wired solutions are essential to certain industries. Signature Slim Wired Combo MK620 for Business brings an improved experience to those workplaces with high-quality typing, super fast scrolling, and more. Works with multiple OS platforms for simple deployment.

HIGH-QUALITY, FLUID TYPING

The keyboard features low-profile, laptop-style keys that are thoughtfully designed with a subtle scoop to deliver a high-quality typing experience. The fluid keystrokes feel instantly familiar, and the smooth keys offer precise and efficient typing. Ideal for touch typists.

SCROLL FAST, SCROLL WITH PRECISION

SmartWheel technology offers two kinds of scrolling for different work tasks. Flick the mouse wheel for precise, line-by-line scrolling for documents or detail work, or for super-fast scrolling for long web pages and endless rows of spreadsheet cells.

UNLOCK AI TOOLS WITH ONE KEYSTROKE

Seamlessly add AI companions to improve ways of working. Press the AI Launch Key for instant access to Copilot in a Windows setup or Gemini for ChromeOS, if available on your device. No additional software required.

CUSTOMIZABLE, PRODUCTIVITY SHORTCUTS

Logi Tune allows employees to easily mute themselves, turn their video off or on, or share their screen during calls. It also provides a high degree of customization, including the F-row shortcut keys and a dedicated Action Key to assign specific shortcuts.

QUIET TYPING AND CLICKING

Stay focused with quiet keys and clicks that are light to the touch. Signature Wired M520 for Business is equipped with Silent Touch technology to produce 90% less click noise from the mouse.

CONTOURED, AMBIDEXTROUS MOUSE

Signature Wired M520 mouse is designed in a comfortable, ambidextrous shape so that it works perfectly for both left- and right-handed users.

WORKS ACROSS PLATFORMS

Signature Slim Wired Combo works with Windows, ChromeOS, or macOS with a simple toggle switch that IT can set up at deployment or be switched by employees when they sit at the desk.

GET A CENTRALIZED VIEW WITH SYNC

With Logitech Sync, our secure cloud-based management portal, IT managers can monitor the

deployment of individual devices and ensure that each device is always ready to use.

MORE WAYS TO CONNECT

You’ve got choices. If there are no USB-C ports available, easily connect Signature Slim Wired Combo with the Logi USB-A to USB-C adaptor to any USB-A port on a laptop or docking station.

IMPROVED POWER EFFICIENCY

Signature Slim Wired Combo MK620 for Business consumes 49% less energy thanks to technology advancements such as optimizing LED function and improving sensor power efficiency.

GET WIRED. GET LEARNING.

The Signature Slim Wired Combo MK620 for Business enhances user experience with USB-C wired connectivity. It features a smooth typing experience with laptop-style keys and an ambidextrous mouse for fast scrolling. Perfect for schools with shared spaces.

GET WIRED FOR GOVERNMENT

Signature Slim Wired Combo MK620 helps boost productivity with secure, wired solutions. It delivers reliable performance for government operations in shared workspaces and secure environments. The quiet keyboard and ambidextrous mouse work seamlessly with major operating systems for easy deployment.
