

## **TABLET TAB50 WIFI 8 128GB/TAB50 WIFI BLUE BLACKVIEW**

Model: TAB50WIFI4/128BLUE

Manufacturer: BLACKVIEW

EAN: 6931548321071

Product Code: 772150

## **R2,176**

### **Small in Size, Versatile in Use**

Think a phone is too small, a laptop too heavy? Introduce Blackview Tab 50 WiFi, a mighty hybrid, designed for those with requirements in between and for whoever thinks out of the box.

### **8-inch HD+ display**

Light up the screen and the resolution gives you an ideal vision for productivity tasks, reading and entertainment.

### **3 Eye Comfort Modes**

#### **Customized for Your Eye Health**

Tab 50 WiFi has multiple eye comfort modes to take care of your eye health. Night Light Mode

provides warmer colors at night to help you fall asleep more easily; Multi-layered Dark Mode staves off eye strain; Restore the authenticity of reading a newspaper or an essay through reading mode that creates a Kindle-like format.

### **Widevine L1 Support**

With Widevine L1 support, you can get access to 1080P Full HD video streaming on platforms like Disney+, Amazon Prime Video, and Hulu. Don't be afraid of missing out on the latest epic sci-fi movies, action-packed fighting movies, or thrilling horror movies, breaking free from the high pressure of daily work and studies.

### **2MP rear camera**

The versatile back camera enables you to record the classes, scan documents, and capture memorable moments at school.

### **Stuck on a question?**

#### **Look it up right away**

Whenever you're stuck while doing homework or writing papers, take your Tab 50 WiFi right from your bag or your big-sized pocket and an encyclopedia unfolds for you on a big screen!

### **Make your clients happier**

The super portable, big-screen Tab 50 WiFi is always ready and available to impress your clients in a pinch whether for retrieving documents and critical information or bringing up a sample room display and virtual panoramic tour. Sealing the deal is just easy.

### **Your pocket theater**

What's better than watching a movie or Tiktok to unwind after work? Tab 50 WiFi comes into play for immediate off-work chill.

### **WiFi 6 Technology**

#### **Make Latency A Thing of The Past**

With advanced WiFi 6 technology utilized on Tab 50 WiFi, streaming just got so much better and you can relish 8K movies, large file downloads and uploads, and responsive games – all without buffering. Enjoy rock-solid coverage from your garage to the second story and get ultra-fast

connections.

## **Quad-core Rockchip RK3562**

### **Power for Better Efficiency and Smoothness**

From responsive app launching through smooth video streaming to seamless light-duty multitasking, the Rockchip RK3562 nails them all without a sweat. Get your basic daily entertainment needs perfectly satisfied.

## **4GB RAM + up to 4GB Expansion**

### **128GB ROM + Up to 1TB TF Expansion**

With large storage capacity, Tab 50 WiFi allows you to download storage-occupying movies and more music, work files and a wide range of productivity apps for efficient work styles. Tab 50 WiFi provides the new Memory Expansion Technology that extends the 4GB RAM to up to 8GB, giving you an edge to open more apps simultaneously and switch between different apps with ultra-smoothness.

## **5580mAh big battery**

Extend your joy with extended battery life. Tab 50 WiFi never runs out of battery as you watch movies, surf the internet, and play games on your way home.

## **Easy to read, even for the presbyopia**

Compared to a phone, Tab 50 WiFi's 8-inch big screen makes it better to read messages and news. For the elderly with the presbyopia problem, the word size can be enlarged even wider from the Setting.

## **Easy to pick up and hold**

Slim and weighing just 355g, Tab 50 WiFi can be effortlessly held in one hand while sitting on a chair, couch, or lying in bed.

## **Easy to hear with dual-box speakers**

Tab 50 WIFI is equipped with dual-box speakers that produce loud sounds. Even in noisy environments, such as crowded buses or bustling markets, elderly users can easily hear every important phone call.

## **DokeOS\_P 3.0 Based on Android 13**

### **Versatile Desktop**

DokeOS\_P 3.0 renders all the magic tricks for saving your time. You can group apps together, dismiss folders, or lock desktop layouts in a breeze.

### **Refined Animation**

Doke OS\_P 3.0 witnesses faster and smoother animation of screenshots and all types of floating windows. Always be in sync with you without latency.

### **Smart Floating Windows**

Swipe up, down, right, left, or try more gestures to navigate DokeOS\_P 3.0, which facilitates your control over Tab 50 WiFi with smart floating windows. Each is designed for further convenient interaction.

### **Privacy Dashboard**

Show which apps recently used permissions over the past 24 hours.

### **Permission Manager**

Freely control apps' access to all your data, including notifications, location, camera and more.

### **Notifications on the Lock Screen**

You can choose to show all notification content on the lock screen or not.
