- Blue VO!CE microphone technology – Detachable pro-grade microphone filters tune your voice in real time to sound richer, cleaner and more professional. Reduces background noise and eliminates pops and hisses for clear, consistent, in-game comms and streaming.
- DTS Headphone:X 2.0 7.1 – Next-gen 7.1 surround sound provides greater positional and distance awareness, so you know exactly where your opponents are before they find you and experience greater immersion in all your games.
- Comfortable memory foam padding – Soft memory foam earpads with your choice of premium passive noise-cancelling leatherette or soft, breathable velour for supreme comfort.
- Durable steel and aluminium construction – Aluminium and steel frame and construction is comfortable, durable and strong.
- PRO-G 50-mm drivers – Advanced drivers with unique hybrid mesh construction deliver clear and precise sound imaging and improved bass response. Hear footsteps and environmental
