R1,969

Small in Size, Versatile in Use

Think a phone is too small, a laptop too heavy? Introduce Blackview Tab 30 WiFi, a mighty hybrid, designed for those with requirements in between and for whoever thinks out of the box.

10.1-inch HD+ display

Light up the screen and the resolution gives you an ideal vision for productivity tasks, reading and entertainment.

2 Eye Comfort Modes

Customized for Your Eye Health

Tab 30 WiFi has two eye comfort modes to take care of your eye health. Night Light Mode provides

warmer colors at night to help you fall asleep more easily while Black-white Mode reduces the light emitted by the screen and prevents eye fatigue when reading for an extended period of time.

Widevine L1 Support

With Widevine L1 support, you can get access to 1080P Full HD video streaming on platforms like Disney+, Amazon Prime Video, and Hulu. Don't be afraid of missing out on the latest epic sci-fi movies, action-packed fighting movies, or thrilling horror movies, breaking free from the high pressure of daily work and studies.

8MP rear camera

The versatile back camera enables you to record the classes, scan documents, and capture memorable moments at school.

Stuck on a question?

Look it up right away

Whenever you're stuck while doing homework or writing papers, take your Tab 30 WiFi right from your bag or your big-sized pocket and an encyclopedia unfolds for you on a big screen!

Make your clients happier

The super portable, big-screen Tab 30 WiFi is always ready and available to impress your clients in a pinch whether for retrieving documents and critical information or bringing up a sample room display and virtual panoramic tour. Sealing the deal is just easy.

Your pocket theater

What's better than watching a movie or Tiktok to unwind after work? Tab 30 WiFi comes into play for immediate off-work chill.

WiFi 6 Technology

Make Latency A Thing of The Past

With advanced WiFi 6 technology utilized on Tab 30 WiFi, streaming just got so much better and you can relish 8K movies, large file downloads and uploads, and responsive games – all without buffering. Enjoy rock-solid coverage from your garage to the second story and get ultra-fast connections.

Quad-core Allwinner A133P

Power for Better Efficiency and Smoothness

From responsive app launching through smooth video streaming to seamless light-duty multitasking, the Allwinner A133P nails them all without a sweat. Get your basic daily entertainment needs perfectly satisfied.

4GB RAM + up to 4GB Expansion

64GB ROM + Up to 128GB TF Expansion

With large storage capacity, Tab 30 WiFi allows you to download storage-occupying movies and more music, work files and a wide range of productivity apps for efficient work styles. Tab 30 WiFi provides the new Memory Expansion Technology that extends the 4GB RAM to up to 8GB, giving you an edge to open more apps simultaneously and switch between different apps with ultra-smoothness.

5100mAh big battery

Extend your joy with extended battery life. Tab 30 WiFi never runs out of battery as you watch movies, surf the internet, and play games on your way home.

Easy to read, even for the presbyopia

Compared to a phone, Tab 30 WiFi's 10.1-inch big screen makes it better to read messages and news. For the elderly with the presbyopia problem, the word size can be enlarged even wider from the Setting.

Easy to pick up and hold

Slim and weighing just 520.5g, Tab 30 WiFi can be effortlessly held in one hand while sitting on a chair, couch, or lying in bed.

Easy to hear with dual-box speakers

Tab 50 WIFI is equipped with dual-box speakers that produce loud sounds. Even in noisy environments, such as crowded buses or bustling markets, elderly users can easily hear every important phone call.

Android 13

Convenience Upgrades

Per-app Language Preferences

Assign different language settings to individual apps on Tab 30 WiFi, allowing you to seamlessly switch between languages.

Power Saving Mode

Enable dark theme, and restrict or shut down some background activities to extend battery life, allowing you to use it for a longer period.

Handy Tools

Alarm

Set alarms for your important events and make sure you don't miss every task.

Bedtime

Set alarms for your important events and make sure you don't miss every task.

Stopwatch

Take more accurate control of your time when exercising or playing sports.

Timer

Set a countdown for what you're going to do in the future with sound alerts.

Fluency Upgrades

Refined Animation

Android 13 witnesses faster and smoother animation of screenshots and all types of floating windows. Always be in sync with you without latency.

CPU Scheduling

Thanks to CPU Scheduling, Tab 30 WiFi automatically adjusts the CPU frequency to make CPU-intensive apps run smoother and easier while saving more power on your tablet when running lightweight apps.

Smart Pre-Loading

Tab 30 WiFi predicts which apps you are going to launch and helps preload the apps beforehand, thus increasing the app launch speed by 7%.

Privacy Dashboard

Show which apps recently used permissions over the past 24 hours.

Permission Manager

Freely control apps' access to all your data, including notifications, location, camera and more.

Notifications on the Lock Screen

You can choose to show all notification content on the lock screen or not.
