you can easily move files between your iPhone, iPad Pro, Mac2, and USB Type-C™ devices.

Fearless Backup

Bid farewell to storage woes and welcome automatic backup with the SanDisk mobile app³. Store precious moments and work without the hassle.

An easy way to free up space

With up to 256GB¹ of storage, just plug in the drive and quickly free up space. No internet required to transfer files. Now you have the memory you need for more photos, videos and games.

Speed Meets Convenience

Waiting is overrated. Reliable transfer rates means your files are where you want them, the moment you want them - no delays, no downtime.

Metallic Aesthetic

Stand out with the Metallic Sky finish, an elegant statement that pairs sophistication with high functionality. It's a statement piece that compliments your Apple devices fashionably.

Protect Your Digital Life

With encryption and recovery software⁴, you can help ensure every transfer you make of your creative works are secured and sound.

- Easily move content between your iPhone, iPad Pro, Mac, and USB Type-C™ devices
- Automatic backup with the SanDisk mobile app
- Limit delays or downtime with reliable speeds
