Experience a satisfying linear profile, with a precise feel for every key press, thanks to the durable and dustproof Mechanical Red switches. Enjoy an enhanced gaming or typing experience, complemented by the sleek design of the keycaps, even during long hours of use.

TAILOR YOUR SWITCH ANYTIME

Explore the versatility of this keyboard, which enables you to effortlessly hot-swap default mechanical switches with third-party switches (3-pin) without any soldering. This empowers you to easily customize your typing experience, offering flexibility and long-term durability for your keyboard setup.

LAYERS OF COMPLETION

A thoughtfully designed construction, comprising key elements that enhance performance and aesthetics from top to bottom, impacts personalization, each keystroke, texture selection, and convenient control, all built upon a solid base for a superior keyboard experience.

PLAY WITH YOUR STYLE

Personalize your setup with a removable magnetic top cover that complements the matte metal finish top case. Easily attach or detach it to match your style or mood, combining aesthetic appeal with practical benefits such as easier maintenance, for a dynamic user experience with this innovative design.

SMART DUAL MODE CONTROL

Effortlessly switch between Game and Office modes with a long press. The intuitive control panel lets you easily adjust lighting effects, brightness, and volume. Dedicated media keys offer quick access to media or personal profiles, ensuring uninterrupted workflow or gameplay.

INSTANT INTERACTION

Take control with convenient hotkeys that let you quickly adjust lighting effects, manage media controls, and access widgets, enhancing your overall interaction with smooth functionality and rapid

adjustments.

ROLLOVER PRECISION

Enjoy seamless precision in gaming and typing with auto-switchable 6-key or N-key rollover, ensuring every keystroke is accurately registered for smooth and responsive performance in games or at work without missing a beat.

ERGONOMIC FLOATING KEYCAPS

The ergonomic high-low keycap design maintains a natural hand and wrist posture, reducing strain and discomfort during extended typing or gaming sessions.

PREFERRED ANGLES

Two keyboard feet support a tilt angle to ensure a more comfortable wrist position during extended periods of use.

CREATE YOUR VIBE

Lighten up your setup by playing with predefined effects to set the preferred ambiance on your keyboard, reflecting your mood and adding a touch of personalized flair to your environment.
