Ayda Max USB-ENC headset

Comfortable over-ear USB headset with noise-cancelling microphone and padded headband

Noise out, voice in

With a flexible dual noise-cancelling microphone, Ayda Max ENC Headset removes distracting background noise and ensures your voice is received loud and clear. What’s more, with an on-ear volume dial and flip-to-mute mic, you’ll have all the controls you need at your fingertips.

Headed for success

The days of head-squishing work headphones are long gone – enjoy all day comfort with this headset, designed with you in mind. With a comfortable over-ear design, padded headband and easy-clean PU leather ear pads, the Ayda Max ENC is ideal for video calls!

Max sustainability, minimum impact

Work happier with the knowledge you’re doing your part for the planet. With an eco-conscious design of 85% recycled plastics, these over-ear headphones have a reduced environmental impact, meaning you can go about your day in a more sustainable way.

Easy connection

Simply plug this headset in via the extra-long 1.8m cable and you’ll be ready to go in no time. Compatible with any of your favourite devices, its convenient USB connection (complete with included USB-C-to-A adapter) ensures instant connection with your colleagues at home or in the office.
