Stylish metal housing and swivel design

The stylish metal housing design with the key ring loop provides outstanding durability while protecting the connectors while on the go.

Secure your files with Lexar DataShield

Easily create a password-protected safe that automatically encrypts data. And for peace of mind, files deleted from the safe are securely erased and can't be recovered.

Compatible with Android™, PC, and Mac systems

Compatible with USB Type-C and Type-A connectors, the Lexar® JumpDrive® Dual Drive D400 USB 3.1 Type-C™ allows you to easily transfer your files between your USB Type-C smartphones, tablets, laptops, Macs, and traditional Type-A devices.

Rigorously Tested

All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

- Dual USB Type-CTM/A Connectors
- With Key Ring Loop
- Compatible
- 256-bit AES Encryption
