TP-Link TL-WR902AC wireless router Fast Ethernet Dual-band (2.4 GHz / 5 GHz) 4G White

Model: TL-WR902AC

Manufacturer: TP-LINK

EAN: 6935364095666

Product Code: 772783

R1,205

Portable and compact

The incredibly compact TL-WR902AC is the world’s first AC750 travel router. Take it with you to create a personal Wi-Fi spot anywhere internet is available. It fits easily in your pocket, purse or bag and is perfect for use while traveling. Watch movies over private dual-band Wi-Fi at a hotel.

Dual-Band AC for Fast Wi-Fi Speeds

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The travel router creates fast AC750 Wi-Fi over dual 2.4 GHz (300 Mbps) and 5 GHz (433 Mbps) bands. Dual bands allow for more devices to be connected to your personal network and provide reliable Wi-Fi access so you can enjoy what you love without interruptions.

Multiple Wi-Fi Modes for Any Situation

Whether you need a private Wi-Fi network while away or something to boost your Wi-Fi at home, the TL-WR902AC has a mode for you.

Multifunctional USB Port for File Sharing and Charging

A The travel router comes with a built-in USB 2.0 sharing port. Connect a USB storage drive to share access to files, download movies and back up recent photos. Connect your smartphone cable and the router doubles as a 5V/1A charging station for one device.
