Designed to look great, Crystal Spectrum XL creates a flawless surface for optical and laser sensor operation to ensure smooth mouse movements. Perfect for those who value the unique look of their computer accessory setup.

The XL-sized, damp-proof surface area of 900x400 mm gives plenty of space for your mouse and keyboard. Its edges are protected by a colorful hem to prevent fraying and the high-quality black rubber layer on the underside keeps Crystal Spectrum XL stable, maximizing your comfort during intense online battles.
