This cover is compatible with the 7-inch PocketBook Era and Era Color .

Using a Qi charger, the PocketBook Era can be charged quickly and wirelessly without removing the case – simply by placing it on the charging station. The lightweight 96-gram charging cover is compatible with all Qi wireless chargers from version 1.2 onwards.

The PocketBook Era is the first PocketBook e-reader to benefit from this technology.

The cover itself is made of durable materials and is comfortable to hold. It reliably protects against mechanical damage such as scratches and the like. It attaches directly to the back of your e-reader using a cover-catch system.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
