The perfect everyday headset with a simple plug-and-play USB connection. Without the need to install software, you’re ready to go. A noise-canceling microphone reduces background noise and delivers clear digital audio for VOIP and Skype calls. Discreet and right-sided boom can be tucked inside the headband and out of the way when you’re not using it. Lightweight and adjustable headband with swivel-mounted foam ear cushions feel comfortable even after long hours of use.

- DIGITAL STEREO SOUND – Enjoy crystal-clear audio for music, games and calls. This plug-and-play headset can be used with any PC or Mac computer without the need to install software.
- NOISE-CANCELLING MIC – The right-sided mic can be positioned for better voice capture and background noise reduction. The discreet boom can be tucked inside the headband and out of the way when you’re not using it.
