

Seagate Momentus HDD 7200.3, 320GB, 7200rpm, SAT internal hard drive Serial ATA

Model: ST9320421AS

Manufacturer: SEAGATE

Product Code: 7989

R678 ~~R949~~

The Seagate® Momentus® 7200.3 laptop hard drive delivers industry-leading 7200-RPM performance while offering the industry’s lowest power consumption levels. Available with G-Force Protection™ for added robustness and durability, the Momentus 7200.3 drive can withstand even the most serious of drops that can happen in a mobile environment. Available with 16 MB of cache and a SATA 3Gb/s NCQ interface, the Momentus 7200.3 hard drive is perfect for performance laptops, workstations and small form factor desktop systems.

Key Advantages

-Highest available notebook performance increases productivity in all environments.

-Developed with proven Seagate 7200-RPM laptop technology.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

-Available in capacities of 320, 250, 160, 120 and 80 GB.

-SATA 3Gb/s NCQ interface.

-16-MB cache on every capacity.

-G-Force Protection™ available for added robustness in mobile environments.

Green features:

-Leverages Seagate laptop power management technology, delivering the lowest-power 7200-RPM laptop hard drive yet.

-Utilizes ramp load features which remove the head from the disk during idle periods, improving idle power consumption and adding to the durability of the drive.

-QuietStep™ ramp load technology enables ultra-quiet load/unload acoustics.

-Perpendicular recording technology.

-Best-Fit Applications.

-Performance laptops.

-Workstations.

-Small form factor PCs.
