Exceptional Gaming

Wrap your senses in ultrawide 1000R curvature and fill your field of vision with perfectly positioned gameplay. A wall of audio surrounds you and rich visuals fill your periphery. Now you can fully experience your favorite games.

See the sights. See them better.

Top-notch performance is a combination of skill and the right gear. Race against beautiful, smooth imagery and enjoy the utmost speed. Leave your opponents in the dust as you go the full distance.

Sounds like magic

Get up to speed and immerse in the sound of your screeching tires. Feel the engine rev, the roar of the crowd, and the scream of your machine as you take the lead. The waving checkered flag cannot be far ahead!

Geared for Gaming

MOBIUZ is engineered to help you do what you do better. Enjoy better control and greater efficiency in the palm of your hand. Next time you pick up your game, you're ready to go in comfort and style!

Light Tuner

Light Tuner lets you choose from 20 color settings for your favorite effect. Whether you play FPS or RPG, you decide how your game looks for your best experience.

Scenario Mapping

Pair each of your Quick OSD presets with an input. Change the input and your settings automatically adjust.

Eye-Care for Extended Play

Game on with Eye-Care Technology. Ready for another round? Let's go.
