ADATA's first duty is to the environment. The UC310 ECO, specifically designed to protect the earth, is packaged in FSC™ certified (Forest Stewardship Council) environmentally friendly paper, promoting sustainable management and implementing the concept of reduce, recycle, and reuse, and is a milestone in our gradual fulfillment of ESG commitments.

Be Carefree with Capless Swivel

The UC310 ECO adopts a capless swivel design, which can rotate easily in one hand for endless fun. The swivel is not only dustproof but also makes losing caps a thing of the past.

Large Capacity for All Your Needs

Hey! Do you have enough storage capacity? Shoot just a few films and your entire storage is immediately brimming with 4K quality video. The UC310 ECO is available at a maximum capacity of 256GB, so there is no longer a need to worry about capacity. Whether curating portfolios, editing, or retouching files, storage is convenient and access lightning fast!
