We understand that the way you work has changed. The commuter of today needs versatility, and confidence in protection to support a working environment that's more mobile than ever before.

Targus CityGear 3 range has remastered everything that has made its predecessors our most demanded collection, to create an even more compact, lightweight range that secures and protects what matters.

35 years of insight and research has gone in to understanding your needs to store and transport the equipment that ensures productivity, creating not only the best protection for your hardware, but the best ergonomic protection for you to carry it too.

The CityGear 14" Slim Topload Laptop Case will protect and transport laptops and 2-in-1 devices with plenty of additional space for your accessories and business tools, while maintaining an overall slim profile designed to fit in overhead compartments or beneath the seat. This multifunctional case offers grab and go handles, padded shoulder straps and trolley straps to keep you comfortable and
