This soft foam pillow mouse mat with wrist support allows personalised comfort as the wrist rest has the ability to conform to your wrist, which helps relieve pressure and fatigue whilst using your mouse. This mouse mat never loses shape and allows exceptional comfort whilst on your your mousing for long periods of time. Typing on a keyboard or using your mouse for hours at a time, can cause pain and discomfort to your wrists which is why a wrist support is necessary for a healthier workspace. Improve performance whilst working with this optical-friendly mouse mat which features a tracking surface, making it ideal for use at your office desk or in the home. Fellowes understand that bad working habits cause many of us physical health problems and fatigue. By using this knowledge we have created a comprehensive range of ergonomic solutions like this innovatively
