Targus AMM174AMGL stylus pen 13.6 g White

Model: AMM174AMGL

Manufacturer: TARGUS

EAN: 5051794035094

Product Code: 804345

R1,407

Write, draw, and scroll with ease using the Antimicrobial Active Stylus for iPad®. The durable POM tip provides a natural pen-like experience, allowing you to write and draw accurately and comfortably.

And thanks to its palm rejection functionality, you can rest your hand naturally on the screen and write as smoothly as you would on paper.

The Active Stylus requires no drivers or Bluetooth® connection to function. Simply touch the stylus to activate – or leave idle for 5 minutes to trigger its power-saving Sleep Mode.

Charge for 90 minutes and enjoy 10 hours of continuous working and 90 days standby time.

For an added benefit, this stylus features Targus' DefenseGuard™ Antimicrobial Protection, an infused protective finish to the material that creates a cleaner surface and protects the stylus.
