

ASUS WT300 RF /BK-RD mouse Office Ambidextrous RF Wireless Optical 1600 DPI

Model: 90XB0450-BMU000

Manufacturer: ASUS

EAN: 4712900660173

Product Code: 804934

R782

The ASUS WT300 wireless optical mouse has a compact, ergonomic design that ensures comfort — even after long hours of use.

Symmetrical body is ideal for both left- and right-handed users.

The WT300 has a precise optical sensor with two sensitivity settings: You can easily switch from the default 1000 DPI to 1600 DPI by simultaneously pressing the click-wheel and right button

WT300 also features an energy-efficient design that provides up to 15 months of battery life!
*Calculated based on 8 hours of use per day. Actual battery life may vary.
