Seagate ST2000LM007 internal hard drive 2 TB 128 MB Serial ATA

Model: ST2000LM007

Manufacturer: SEAGATE

Product Code: 8079

R2,000 ~~R2,256~~

An Amazing Value and True Capacity Kick for Laptops and Mobile Devices

Huge 1 TB and 2 TB capacities in a thin 7mm lightweight design, the Seagate® Mobile HDD stores up to 200,000 photos, 250,000 songs or 124 hours of high definition video.1 The Mobile HDD has some of the most advanced features and one of the best $/TB and $/mm available. All backed by a 2-year limited warranty.

Ideal for:

- Traditional laptops
- Convertible and detachable storage
- Slim consumer electronics devices

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

- Helping to protect your sensitive data

Compatibility and Flexibility

The Mobile HDD works with SATA 6 Gb/s and SATA 3 Gb/s designs.

A slim, high-performance HDD which integrates easily.

- Drop in 1 TB or 2 TB without the weight of traditional laptop drives
- 25% lighter than the previous generation
- Easy upgrade for most 7mm laptop designs
- No-hassle transition from 9.5mm
- Standard SATA drive mounting

High Areal Density Comes With Quiet Operation and Excellent Shock Resistance

With an incredible 1 TB per disk, the Mobile HDD enables the highest areal density in a 7mm small form factor. The drive additionally performs operations very quietly and has industry-leading shock resistance.

Self-Encrypting Drive Options

Looking for dependable and secure data encryption? The Mobile HDD has Self-Encrypting Drive (SED) and FIPS 140-2 SED models available in the same 7mm design.

- Government-grade encryption without performance degradation
- Ships with the Trusted Computing Group (TCG) Opal protocol
- Instant Secure Erase technology3 that can instantly erase the security key data on your hard drive if needed, enabling secure disposal or repurposing of the SED
