

HP SP/CQ Memory 256MB 60ns EDO memory module 0.25 GB 1 x 0.25 GB EDO DRAM

Model: 281860-001

Manufacturer: HP ENTERPRISE

EAN: 5705965575482

Product Code: 81315

R2,389

256MB DIMM EDO/B 60NS

As data protection and high availability have become increasingly important, customers are demanding solid, uninterrupted performance. Continuous development and enhancement of high-performance software applications and operating systems is driving the need for additional memory. Compaq memory customers can be assured that all of their memory needs will be met, the above issues will be addressed, and they will have memory manufactured to the highest quality standards and subjected to the most rigorous testing procedures.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
