Seagate Desktop HDD Barracuda 7200.9 80, Ultra ATA/100 internal hard drive 80 GB 7200 RPM 2 MB Ultra-ATA/100

Model: ST3802110A

Manufacturer: SEAGATE

Product Code: 8167

R360 ~~R385~~

On drives greater than 33.8GB, Limit Capacity jumper changes total available sectors as reported via Identify Drive data words 60-61 to 33.8GB to solve issues with certain BIOS during power on. The ATA Read Native Max command will report true full capacity. The ATA Set Max command will restore true full capacity to the operating system drivers. Third party partitioning software may be needed to achieve full capacity when using this option jumper.

Windows XP Service Pack 1 and Windows 2000 Service Pack 3 with 48-bit LBA Address drivers are required for native support of ATA (IDE) disc drives greater than 137GB.
