

A4Tech 47726 Fstyler FBK27C AS 2.4 GHz+BT (Silent), Black

Model: A4TKLA47726

Manufacturer: A4TECH

EAN: 4711421000185

Product Code: 823363

R827

Core Performance BLMS Mechanical Switches: Equipped with A4Tech’s proprietary Bloody Linear Mechanical Switches (BLMS), designed for speed and a smooth, linear feel. Rapid Response: Features a low-latency connection and high polling rate tailored for competitive gaming. Anti-Ghosting: Full N-Key Rollover (NKRO) ensures that every simultaneous keypress is registered accurately. Design & Build 98-Key Compact Layout: A space-saving "1800" layout that retains the numeric keypad while reducing the overall width compared to a standard 104-key keyboard. RGB Backlighting: Customizable multicolor LED lighting with various effects and brightness levels. Double-Shot Keycaps: High-durability keycaps designed to resist wear and prevent characters from fading over time. Convenience & Customization Programmable Keys: Compatible with Bloody’s software for setting up macros and custom key bindings. Multimedia Hotkeys: Easy access to 12 media and internet functions via FN combination keys. Detachable Cable: Often features a USB Type-C to Type-A connection for easier transport and cable management. Type: Mechanical | Number of keys: 98 | Numeric keypad: Yes | Switch type: BLMS Mechanical Switches | Layout: US | Wireless connection: No | Power supply: USB | Lighting: Yes | Dimensions (cm): 40 × 15 × 2.5 | Weight (kg):
