Thanks to USB 3.2 Gen 1, the UC300 delivers data in up to 5Gbps for convenience and efficiency from one super-compact device via simple plug n play. It's also backward compatible with USB 2.0.

All the Space You Need

Does your storage device have enough space? The UC300 does! It's got enough for your 4K video and more with up to 256GB capacity. You won't need to worry about capacity anymore when archiving and editing videos and photos.

Capless Convenience

The UC300 features a sliding connector design that does away with cumbersome covers or caps that can be lost. The connector can be easily extended or retracted with just one hand.
