Festa offers business-class features with consumer-inspired simplicity. Our free cloud-based centralized management is accessible via the Festa app or web, providing essential features for small businesses without the complexity required by larger-scale operations.

High-Security and High-Performance VPN

OpenVPN/IPSec/PPTP/L2TP VPN effortlessly establishes secure VPN tunnels for safe internet browsing, communication between branches, or enabling remote work and study from home.

Easy to Block Unwanted Websites

Effortlessly set internet access rights and strategies via IP/URL Filtering and Access Control List (ACL).
