Equipped with professional grade antennas with high-powered amplifiers, the Fest F65-Outdoor provides strong and expansive wireless coverage for multi-device environments. Utilizing Wi-Fi 6 technology including OFDMA and MU-MIMO, the Fest F65-Outdoor can handle simultaneous connections from dozens of clients in open areas.

Smart Antennas for Superior WiFi Performance

The Festa F65-Outdoor delivers reduced interference, extended coverage, and enhanced performance through its professional antenna arrays and the intelligent algorithms of Festa Smart Antenna technology.

Seamless WiFi 6 Mesh Networking

The Festa F65-Outdoor supports Seamless Roaming, ensuring users always connect to the most optimal access point. Additionally, it features Mesh technology, utilizing existing wireless signals to connect to hard-to-wire networks and reducing the need for redundant cabling.

Easy and Flexible Installation

Select the mounting option that best fits your preference.
