

Viewsonic VG Series VG2757V- 2K computer monitor 68.6 cm (27") 2560 x 1440 pixels Quad HD LED Black

Model: VG2757V-2K

Manufacturer: VIEWSONIC

EAN: 766907024357

Product Code: 841158

R11,931

The VG2757V-2K is a 27" QHD videoconferencing monitor featuring Windows Hello compatibility. It boasts a Zoom® Certified QHD pop-up webcam that delivers exceptional audiovisuals and discreetly hides away for privacy when not in use. With Windows Hello, it ensures secure facial recognition for swift and convenient logins, eliminating the dependency on passwords. Equipped with 90W and 15W USB-C ports, ethernet, and daisy-chain support, the VG2757V-2K serves as a complete integrated docking station for charging, data transfer, and network connectivity, effectively reducing cable

clutter. Its extensive ergonomic flexibility allows tilt, swivel, pivot, and height adjustments for various workflows. Enhanced by vDisplay Manager software for efficient multitasking and on-screen display controls, it offers a comprehensive videoconferencing solution.

Windows Hello with Zoom® Certified Desktop Videoconferencing Solution

Tailored to Every Work Environment

Transform any workspace into a secure productivity and videoconferencing hub. Whether it's in an executive office, a dynamic hot-desking setup, or the comfort of a home office, this monitor seamlessly integrates into diverse work environments to enhance efficiency and collaboration.

Windows Hello for Secure Hassle-free Login

Enjoy hassle-free access to your digital workspace with Windows Hello, ensuring a swift and secure sign-in with facial recognition. Enhance authentication security, reduce password issues, and minimize the risk of data breaches.

*Users must set up a Windows Hello PIN before activating facial recognition or fingerprint login. For more information, [click here](#).

*Please note that Windows Hello does not work when the monitor is pivoted to portrait mode.

Reliable and Seamless Virtual Meetings

Featuring a Zoom® Certified built-in pop-up camera, microphone, and front-facing 5W speakers, the VG2757V-2K monitor meets high audio and video standards, ensuring a seamless and hassle-free communication experience anytime.

Designed for Privacy and Confidence

Get peace of mind on and off the screen. The pop-up 5MP webcam with built-in LED fill lights ensures you look your best when it's your time to shine and protects your privacy when off-camera.

Looking Your Best Made Easy

Say goodbye to unflattering camera angles. Enhance your video quality and enjoy portrait lighting with built-in LED fill lights, offering color temperature and brightness adjustments.

Integrated Docking Station with Daisy Chain

The docking capability of the VG2757V-2K streamlines workflows by eliminating the need for dongles and adapters. USB-C ensures seamless data, video, audio, and delivers 90W charging, complemented by a built-in ethernet port (RJ45) for stable, high-speed connectivity. The DisplayPort output can be easily daisy-chained to another monitor for a productivity-boosting workstation setup.

Greater Control from Your Desktop

The intuitively designed control hub puts your video conferencing tools within arm's reach. Use the hotkeys to adjust display settings, turn on/off the microphone and speaker, and toggle the LED fill lights setting with ease.

Power Up and Speed On

An additional 15W USB-C port provides extra connectivity options and rapid charging for smartphones and other mobile devices, ensuring they are always ready to go when you are.

Eye ProTech+ for Always-on Eye Protection

Work comfortably over extended periods with ViewSonic Eye ProTech+. Combining Flicker-Free technology with a built-in low blue light screen, this monitor helps maintain fresh-feeling eyes and prevent digital eye fatigue at all times without compromising image quality.

Work the Way You Want

The VG2757V-2K offers a full range of ergonomic flexibility for every task and workflow. Raise your display to the optimal height, swivel it to be fully flat, or rotate it 90 degrees for portrait viewing. Up to ± 5 degrees of camera tilt ensures you're framed right, no matter how you choose to work.

Smooth Visuals with 100Hz Refresh Rate

With a fast 100Hz refresh rate, experience a truly fluid visual display. This improves viewing clarity, reduces screen stutter in fast action scenes, and enhances work-related tasks, reducing eye strain and boosting productivity.

Stunning Image Quality

Whether you're working or relaxing, the 16:9 screen featuring QHD 2560 x 1440 resolution display delivers enhanced quality visuals, improving your workflow and downtime by making in-screen content more enjoyable and immersive.

vDisplay Manager

ViewSonic's proprietary vDisplay Manager software is available for free and allows users to organise and divide their screen into multiple segments. ViewSonic's vDisplay Manager enables users to adjust their monitor settings to their needs for a more efficient workflow.

Excellent Software Compatibility

Compatible with video conferencing software, this monitor allows you to conduct meetings with ease. Choose different software based on your needs and preferences, fostering smoother collaboration with various partners.

Effortless Installation

Installation could not be easier. Simply open the box, screw the base without tools to the quick release stand, snap the stand into place, and lift your fully assembled display out of the box.

Eco-friendly, Biodegradable Packaging

The VG2757V-2K is packaged and shipped in environmentally-friendly, recyclable cardboard. The packaging design emphasizes green thinking by minimizing plastic use and employing mono-color printing to reduce the consumption of dyes and pollutants.

Certified Environmental Sustainability
