Superior network performance at non-blocking rate delivers true Multi-Gig speed with no compromise

ENERGY EFFICIENT

Energy Efficient Ethernet (IEEE 802.3az) standard, which reduces energy consumption when there is light traffic on an active port or when there is no link or no activity detected

PLUG-AND-PLAY

No software to install. No configuration needed. Zero maintenance required

SILENT OPERATION

The fanless design means zero added noise wherever its located, making it ideal for noise-sensitive environments

VERSATILE MOUNTING OPTIONS

Install your switch on your desktop, or mount it to your wall with the hardware provided in the box.
