TP-Link Festa F76 White Power over Ethernet (PoE)

Model: Festa F76

Manufacturer: TP-LINK

EAN: 8885021370132

Product Code: 841327

R5,956

Festa A Networking Solution Built For Small Business, No IT Required

Festa offers business-class features with consumer-inspired simplicity. Our free cloud-based centralised management is accessible via the Festa app or web, providing essential features for small businesses without the complexity required by larger-scale operations.

Wi-Fi 7: Next-Gen Networking Experiences

Boasting a remarkable throughput of up to 9.3 Gbps, the Festa F76 unlocks the power of Wi-Fi 7 with an astonishing 320 MHz bandwidth* and advanced features like 4K-QAM and MLO‡, which offer the next level of networking for all your data-intensive tasks.

2.5G Wired Performance

The 2.5 Gigabit port ensures fast connectivity throughout the network for smooth network connectivity.

Seamless Mesh Networking For Business

Reduce the need for Additional Wiring

With wireless mesh technology, you won’t require extra Ethernet cables to link additional APs across the coverage area. With PoE support, a single cable effortlessly integrates data and power, obviating the necessity for extra wiring.

Seamless, Smooth, and Stable Wi-Fi

Seamless Wi-Fi ensures that all users enjoy uninterrupted connections when moving between different access points through 802.11 k/v/r seamless roaming technology.

Low Profile, Easy Installation

With a compact casing and a refined bracket, installation is easier in just 3 simple steps. Push up, rotate, and lock. 802.3at PoE support ensures flexible deployment according to your needs.
