TP-Link AX1800 Wi-Fi 6 WLAN Repeater

Model: RE600X

Manufacturer: TP-LINK

EAN: 6935364010348

Product Code: 841445

R2,334

Boosted WiFi Coverage for Ultimate Wireless Experience

AX1800 WiFi 6 Range Extender

Meet the next generation WiFi 6 with more capacity and data throughput

With WiFi 6, you will enjoy faster speeds, lower latency, and able to connect more devices. When comparing with the last-gen WiFi, WiFi 6 features 25% faster data throughput thanks to 1024-QAM.

Roaming Redefined

Stop searching around for full bars. OneMesh is a simple way to form a Mesh network with a single WiFi name for seamless whole-home coverage. Just connect RE600X to an OneMesh router.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Increased Efficiency with OFDMA

OFDMA improves your wireless network with higher throughput, lower latency, and more efficient power consumption.

Boosted WiFi Coverage with Beamforming

Beamforming technology concentrates the WiFi signal towards your connected devices, providing better WiFi range and network performance.

Gigabit Ethernet for Reliable Connections

One Gigabit Ethernet port provides warp-speed wired connections for 4K HD streaming, lag-free gaming, and more.

Built-In Access Point Mode

RE600X is more than a wireless range extender. Simply plug an Ethernet cable into its Ethernet port, and easily turn your wired internet connection into a 2×2 MIMO dual band wireless access point.

Wide. Wider. Widest.4

You can set the extender’s WiFi coverage depending on how large you want your WiFi area to be using the Tether app.

Control at Your Fingertips

Set up and manage your WiFi through the TP-Link Tether app from your phone (Android, iOS), including TP-Link routers and range extenders.
