ADATA LEGEND 900 PRO 1 TB M.2 PCI Express 4.0 NVMe 3D NAND

Model: SLEG-900P-1TCS

Manufacturer: ADATA

EAN: 4711658150691

Product Code: 841601

R5,108

Express Creativity Like Never Before

The LEGEND 900 PRO adopts the latest generation PCIe Gen4 x4 transmission interface, meeting the NVMe 1.4 standard and supporting the latest Intel and AMD platforms, turning the device into an invincible powerhouse.

Imagine it, Achieve it Instantly

The LEGEND 900 PRO boasts a sequential read/write speed of 7,400/6,500MB per second, 4 times faster than standard PCIe Gen3 SSDs and 13 times faster than SATA SSDs, and it is fully backward compatible with current PCIe 3.0 platforms. This drive provides excellent output for mid-to-high-end

productions such as film and television animation, machine learning, and product modeling!

Expand PS5 Storage Capacity

The LEGEND 900 PRO utilizes a PCIe 4.0 transmission interface and can be installed in the PS5 as an expansion hard drive to alleviate PS5 storage insufficiency issues. Not only does the LEGEND 900 PRO fit perfectly into the PS5'a drive slot, it also provides a smooth and no-lag gaming experience while enjoying triple A masterpieces.

Beyond Elite

LEGEND 900 PRO utilizes a SLC cache algorithm and HMB (Host Memory Buffer) technology to take advantage of caching and adopts LDPC (Low Density Parity Check Code) error correction mechanism to ensure the accuracy of data transmission and file security.

SSD Toolbox value-added software for real-time status monitoring

SSD Toolbox ensures users utilize the latest Firmware version for the best performance and employs Self-Monitoring, Analysis and Reporting Technology (S.M.A.R.T.) to understand the health and remaining lifespan of SSDs, as well as the current operating temperature and storage capacity, so that users can track of SSD status at any time.
