

Viewsonic XG275D1-4K computer monitor 68.6 cm (27") 3840 x 2160 pixels 4K Ultra HD LED Black

Model: XG275D1-4K

Manufacturer: VIEWSONIC

EAN: 766907032673

Product Code: 842003

R9,202

DOMINATE WITH DUAL MODE

Stop settling, start dominating with the XG275D1-4K's dual-mode feature. Crank it up to breathtaking 4K UHD at 160 Hz for visuals so sharp they'll leave you in awe, or shift gears to FHD at a blistering 320 Hz for buttery-smooth responsiveness that puts victory within your grasp.

DIAL IN VICTORY

Tailor your gaming experience with the XG275D1-4K's versatile aspect ratios—4:3, 5:4, 16:9, and 16:10—crafted to dominate any genre or playstyle. When the stakes are high, switch to the 24.5-inch Esports setting, scaling down the display for razor-sharp focus and lightning-fast reactions in competitive play.

LIGHT UP THE ACTION WITH FAST IPS

Rule the game with stunning clarity, brought to life by the Fast IPS panel. With exceptional color accuracy and radiant brightness, it pulls you into the heart of every scene. Combined with wide viewing angles, the action remains flawless from every perspective, ensuring the best seat is always yours.

BEAT LAG WITH 0.5MS RESPONSE TIME

Decimate your rivals with pinpoint precision, powered by the blazing-fast 0.5ms (MPRT) response time. It ensures fluid pixel transitions and vibrant colors, rendering even the fastest action on the battlefield in stunning clarity with minimal ghosting.

STAY COMFORTABLE, STAY IN THE GAME

Crush marathon gaming sessions or conquer workdays in total comfort with a tilt, swivel, and height-adjustable design that moves with you—keeping you locked in for peak performance and endless immersion.

ILLUMINATE YOUR VICTORY

Level up your gaming setup with stunning RGB lighting that breathes life into every session. Choose from an expansive palette of colors and dynamic effects to create the ideal atmosphere, perfectly tuned for the chaos of intense battles or the serenity of immersive open worlds.

LEVEL UP YOUR CONSOLE EXPERIENCE
