Model: K83451WW

Manufacturer: KENSINGTON

EAN: 085896834519

Product Code: 842326

R2,923

Kensington's universal plug & play H2000 USB-C Headset delivers an immersive and focused experience, exceptional sound technology and premium productivity features via an ergonomic over-ear design. The H2000 provides cooling-gel infused memory foam earpads with breathable heat transferring fabric for all-day comfort, noise-cancelling microphones that suppress distracting sounds, LED indicators for 'busy' and mute to reduce distractions, in-line music controls and sidetone for a better call experience. Dynamic 40mm neodymium drivers deliver an exceptional audio experience for calls and music. A long 1.8m (6') tangle-free nylon braided USB-C cable provides room to stand and stretch. The H2000 is part of Kensington’s Professional Video Conferencing ecosystem - providing an integrated experience so you spend more time being productive.
