Welcome to the wide-open world of the Paldea region

Catch, battle, and train Pokémon in the Paldea Region, a vast land filled with lakes, towering peaks, wastelands, small towns, and sprawling cities. Explore a wide-open world at your own pace and traverse land, water, and air by riding on a form-shifting Legendary Pokémon—Koraidon in the Pokémon Scarlet game and Miraidon in the Pokémon Violet game. Choose either Sprigatito, Fuecoco, or Quaxly, to be your first partner Pokémon before setting off on your journey through Paldea.

Pick your path

There is no set path on your Paldea adventure, so you can weave freely through three grand stories.
