

ARCTIC MX-6 ULTIMATE Performance Thermal Paste + MX Cleaner

Model: ACTCP00084A

Manufacturer: ARCTIC

EAN: 4895213703949

Product Code: 854753

R996

Ensure the lowest thermal resistance with our award-winning thermal interfaces. Well known for its outstanding quality, our high-performance MX thermal compound is a regular winner in performance tests. It offers a very low thermal resistance due to its minimum bond line thickness and is easy to apply, even for beginners. Thermal pads in various designs and sizes round out the product range.
