R5,343

More Space for Multi-Tasking

The 34" 21:9 UltraWide™ Wide Full HD display monitor provides more room than a 16:9 Full HD resolution display, offering a wider workspace to view multiple documents at once.

Great Colors and Wider View

The 34BR65F-B monitor displays great colors and a wider viewing angle. The IPS display boasts 99% coverage of the sRGB color spectrum.

Visual Comfort

Go easy on your eyes with Reader Mode and Flicker Safe. Reader Mode adjusts color temperature and luminance to help make reading easy. Flicker Safe reduces invisible flickering on the screen, and

it helps to provide a comfortable working environment for a long time.

OnScreen Control

Customize the workspace by splitting the display or adjusting basic monitor options with just a few mouse clicks.

Fluid and Rapid Motion

Gamers can experience virtually seamless, fluid movement in high resolution with AMD FreeSync™ technology, a feature that can reduce screen tearing and stuttering.

Dynamic Action Sync

Minimize input lag with Dynamic Action Sync so you can catch every single moment in real-time.

Attack First in The Dark

Black Stabilizer® helps gamers avoid snipers hiding in dark places to quickly escape situations when a flash explodes.

Crosshair® Feature Brings an Accuracy Advantage

Accuracy is at the center of your gameplay with the Crosshair® feature. Center-display crosshairs give enhanced vision and pro-level precision for increased accuracy in first-person shooter games*.

Clutter Free Desk Setup with Built-in MAXXAudio Speakers

The 7W built-in MAXXAudio speakers create sounds while keeping your desk clutter free.

Elegant One-Click Stand

The ergonomic, one-click stand is easy to install, and its convenient height, tilt, swivel, and bidirectional pivot capability allow you to customize your work environment.

Wall Mountable

This wall-mountable monitor provides the freedom to take the monitor off the desk and hang it on the wall, allowing you to expand your viewing options and save desktop space.
