R3,093

The WH64 is a wireless headset for business communication. It integrates DECT and Bluetooth modes, offering efficiency and flexibility.

Its advanced acoustic shield technology 2.0 filters out background noise for clear sound transmission. The busy light signals your call status to avoid interruptions. Ergonomically designed for an all-day comfortable wearing experience. With high-quality materials and a lightweight build, it provides a solid experience. It connects seamlessly with IP phones and UC platforms for plug-and-play and device switching. Ideal for clear conversations and smooth office experiences.

DECT & Bluetooth Hybrid Wireless Technology

Yealink's WH64 headset integrates both DECT and Bluetooth signal modes, enabling flexible signal switching without a base. Whether you're in a busy office or working remotely, this headset ensures clear and professional conversations.

Multiple Devices Plug & Play

The base is equipped with multiple USB ports, allowing simultaneous connections to a computer and an IP phone. Seamlessly connect with popular IP phones and collaborate effortlessly with leading UC platforms by using a USB cable for plug-and-play, efficient connectivity. Native integration with Yealink IP phones enable smooth device switching, delivering a professional unified office experience.

Acoustic Shield Technology 2.0

WH64 incorporates Yealink's acoustic shield 2.0 technology, utilizing three built-in microphones to automatically block background noise and ensure clear communication. This advanced feature eliminates interference from various sources, allowing effective communication in busy offices or noisy open work environments.

All-Day Comfort

WH64 is designed to meet the highest ergonomic standards, offering optimal support and comfort for extended use. Its lightweight design and carefully selected materials provide durability and stability.

Hybrid Visual Busylight

The WH64 headset features a dual-sided busylight and the option to add an external BLT60 light, providing practicality in office settings. WH64 enables clear understanding of your work status by displaying it with different colors, preventing unintended interruptions during work.
