

Equip Mouse Pad

Model: 245011

Manufacturer: EQUIP

EAN: 4015867209974

Product Code: 858235

R610

This mouse pad is compatible with all mouse types (ball, optical, laser). The base is slip resistant, and the surface consists of a tough yet comfortable nylon fabric. With a thickness of only 3mm, the mouse pad is very slim and low-profile so it does not get in the way. This is the perfect addition to a relaxed and comfortable working environment.
