RYUO III 240 ARGB

Gloriously tame the thermals of your high-performance rig with the ROG Ryuo III 240 ARGB. Its premium shell frames an AniMe Matrix display that can be customized to uniquely express your allegiance. Encased deeper within is an 8th Gen Asetek pump that spins coolant through a higher capacity radiator chilled by 120mm ROG ARGB fans, giving your CPU the headroom to flex through everything.
