17" IPS display, it's built for productivity anywhere. With the Intel®1 Core™ Ultra 7 processor (Series 2) processor and hybrid LG gram AI solutions, experience both on-device and cloud-powered AI for versatile AI performance.

Welcome to Copilot on Windows 11 Home

Windows 11 Home brings you closer to what you love. Pursue your passions and maximize your productivity with the new Windows 11. Built with tools to help you multitask, think, create, and connect—all designed with simplicity and intuition in mind. With the power of AI with Copilot, find unexpected ideas, summarize long articles, or provide suggestions for better writing. Those are just a few of the ways AI with Copilot can help support your creative process.

Hybrid AI: On-Device and Cloud Synergy

LG gram now includes a hybrid AI2 solution that blends on-device intelligence with the capabilities of cloud-based AI. gram chat On-Device manages local tasks like smart hard drive searches and system adjustments, while gram chat Cloud delivers generative AI responses for document creation, data analysis, and administrative tasks like scheduling—all through intuitive interactions.

Intel® Evo™ Edition powered by Intel® Core™ Ultra: Up to 18% boost in CPU performance

The Intel®1 Core™ Ultra 7 CPU delivers up to 18% greater performance than its predecessor, based on Intel's IA (Intelligent Automation) performance measurements. Experience, lightning-fast speeds, AI-powered multitasking, with 16GB DDR5 memory, and Intel® Arc™ graphics for smooth, high-performance efficient computing.

Unbelievably Portable. Undeniably Strong.

The LG gram Pro laptop packs incredible performance into a half-inch-thin, 3.02 lbs. frame that's passed seven military-grade standards3 for resilience and durability. From your desk to the road, gram Pro is built to go wherever you work and play.

The power to stay unplugged

Powered by a 90Wh high-capacity battery offering up to 25.5 hours of video playback4 and equipped with our AI Smart Assistant, gram analyzes user patterns to optimize battery efficiency. Boost your productivity and enjoy uninterrupted play.

Internal Dual Cooling System

LG gram Pro's internal cooling system keeps the laptop running efficiently and helps prevent overheating.

LG gram Link

LG gram Link seamlessly connects your LG Gram with up to 10 devices across Android and iOS. Effortlessly share files, expand screens, mirror displays, and unify control—all while enhancing productivity with smarter, more connected multitasking.

Smooth Visuals Enabled by Variable Refresh Rate

Variable Refresh Rate adapts from 31Hz to 144Hz for smooth, stutter-free visuals. Whether gaming, streaming, or multitasking, enjoy fluid transitions, reduced lag, and efficient power use for an optimized experience.

Surround Sound to the Next Level

The gram features four built-in speakers delivering rich, powerful sound great for music, movies, and more. Dolby Atmos® 3D Surround Sound adds a cinematic experience with 360-degree audio, powered by a 4-channel amplifier. Enjoy premium, immersive sound - anywhere you go.

Flexible Connectivity

The LG gram Z90TL features multiple ports, including two Thunderbolt™ 4, two USB 3.2, HDMI, and headphone jack to boost efficiency and productivity. Thunderbolt™ 4 compatibility supports ultra-fast data transfer and up to 5K resolution display support.
