Lenovo™ Premier Support provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Our expert troubleshooters have the advanced technical know-how and systems knowledge to quickly provide solutions and advice that will keep your hardware and software operating at optimal efficiency.

Tech support with the Premier difference

Advanced-level techs.

End to End case management.

Faster, first-time resolution.

Looking for a step-up for your business and your employees' support experience?

Lenovo™ Premier Support gives VIP treatment to both your IT staff and end users.

We understand IT needs to increase efficiency, reduce complexities, and keep your end users up and running. We know your end users expect fast and frustration-free support. Lenovo can deliver.

Free your Team to excel in innovation and productivity

IT landscapes are becoming more complicated, while simultaneously, budgets are contracting. The challenge lies in reducing complexity and operational costs, while increasing the impact of your in-house teams by focusing their efforts on revenue-generating and innovation projects.

What if the solution was to cost effectively offload your routine support tasks, and shift time-intensive advanced problem solving to an expert team of support engineers?

That's the Premier difference.

Interested in advanced level technical support for your Lenovo ThinkVision monitors?

We've got you covered. Now you can purchase Premier Support for monitors and enjoy a single support contact experience⁵ with our elite Premier Support technical team.

Get how-to and technical assistance across a variety of common questions and issues surrounding configuration, resolution, display settings, and multi-monitor interoperability—along with support on popular industry software, device drivers, and more⁶.

And if we do need to swap out your warrantied monitor, your replacement is prioritized over standard claims and delivered to you the next business day through Lenovo Advanced Exchange⁷.
