Work anywhere with the iiyama ProLite P1671HSC-B1, a 15.6" portable Full HD IPS monitor weighing just 0.7 kg, and only 1.12 kg with the leather case included. Slim and light, it's ideal for travel, remote work, or hot-desking. Quick to set up, it offers two viewing angles (45° or 60°) and a leather cover that protects the screen and doubles as a stand. Built-in speakers deliver clear audio for calls and media, removing the need for extra devices. A USB-C cable handles the display signal from your laptop to the monitor, while the crisp panel, flicker-free technology, and blue light reduction ensure comfort and productivity all day.
