performance whether you're creating, planning, or traveling, this is the best AI business laptop for work on-the-go.

Elegance in Every Inch

The Prestige A16 AI+ is ideal for working on the move. Its aluminum chassis not only enhances the sleek, curved design but also offers a refined, high-quality touch. The distinctive accent adds a touch of fluid elegance, making a sophisticated statement.

Newly Upgraded for AI Potential

The Prestige series boasts the AMD Ryzen™ AI 300 series APU, featuring Zen 5 processor architecture, XDNA 2 NPU, and RDNA 3.5 GPU architecture for efficient handling of intensive tasks. With 50 NPU TOPS, it excels in accelerating AI programs, making it ideal for sustained, power-efficient applications. Whether you're engaged in creative projects, gaming, or running data-intensive applications, the APU ensures enhanced performance and reduced power consumption, providing exceptional efficiency and reliability.

A New AI Era Begins

Manifest your imagination - Copilot works with you to write, edit, summarize, create content - and even give suggestions. MSI AI Engine automatically tunes your laptop to the most optimal settings. Harness the AI power anytime, anywhere.

Copilot+ PC

Whether you're writing, communicating, coding, designing, or just browsing, Copilot will be at the ready to respond to your request. Get inspired, turn ideas into content, and amplify your skills with a simple right-click, conversation, or a hello.

MSI AI Engine

MSI AI Engine is able to detect user scenarios and automatically adjust hardware settings to achieve the best performance. With simple AI tuned modes and resources, you can focus on the important things like creating, work and entertainment.

Mobility without Compromise

The Prestige A16 AI+ is engineered for high mobility and productivity, making it ideal for continuous use on the go. Its long-lasting battery and USB4® with PD Charging technology allow you to stay

productive from any location.

Wireless Reimagined

The latest Wi-Fi 7 network speed packs more data into each transmission, making it significantly faster. Its potential maximum data rate of nearly 5.8 Gbps, which is 2.4x faster than the 2.4 Gbps speeds with Wi-Fi 6/6E, making it easy to stream high-quality video, or downloading large files in less time than the best legacy Wi-Fi technology, accomplish your tasks at breathtaking speeds.

Dynamic Colors. Brighter Idea.

Visualize your creations through a vibrant OLED panel. Producing the purest blacks and brightest whites, its high contrast colors brings both video and image to life. The 16:10 aspect ratio gives you the power for a more spacious workspace and a comfortable visual experience especially during long periods of use.

Keep Connected. Stay Productive.

Easily connect and create. With a full complement of I/O ports, the Prestige A16 AI+ always keeps you connected and productive. Enjoy a ultra thin and light carry with zero compromise.

Supports PD Charging

Speed transfer and charging power with USB4® port, keep the power and productivity without any interruption.

All-in-One Functionality

The MSI Center S provides a new interface which is simpler and more effortless. Taking optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

Safe and Secured

MSI laptops go through rigorous tests to provide best-in-class experience. Tailored for professional minds and exploratory spirit, MSI laptops are here to support you as you pursue your passions.
