Two ways to stand.

Twice the freedom.

Whether you're catching up on your favourite shows in landscape mode or tackling a productive day in portrait mode, the Book Cover ensures that your tablet adjusts to your needs. Embedded magnets make it easy to fold it into an origami-like stand in two different viewing angles.

Sturdy outside, safe inside

Take your tablet along with confidence, knowing it is wrapped in a protective cover designed to keep your device safe. The cover offers defense against minor bumps and unforeseen scratches, giving your tablet the care and protection it deserves.
