Manufacturer: IIYAMA

EAN: 4948570033348

Product Code: 863896

R13,416

This mini SDM-L PC with an Intel Core i3 processor turns your iiyama large format display from the ProLite LH75 SERIES (50" and larger) into a stand-alone solution. It comes equipped with a powerful Intel processor, integrated Ultra HD graphics, and a fast SSD. It features four USB 3.2 Gen 1 ports and two Type-C ports (USB 3.2 + DP ALT).
